

Watches

We are pleased to introduce **Ball Watch Co** this year. This watch line is one of the most exciting introductions in recent memory. Over the years, we have fostered long-term relationships with some of the finest manufacturers in the business, and as such can negotiate pricing substantially better than our competitors. Many other fine Swiss brands are available. Stop in or email us for a quote.

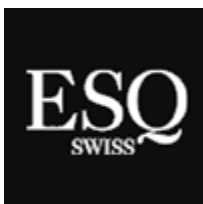

Luminox Watches

The ultimate illumination system. Glow continuously for more than 25 years. Glows 100 times brighter than other luminous watches. Swiss illumination system is self-powered. No need to push button or expose to light to activate illumination system. Illumination guaranteed for 10 years. Entirely Swiss made. Multi-jewel Swiss quartz watch movement. Water and Shock resistant.

Ball Watch USA

BALL Watch aspires to manufacture the most accurate mechanical watches on the planet, ruggedized for use by those that live / work / play in truly adverse conditions. With unlimited inspiration, BALL is today setting the standards just as Webster Clay Ball did in the late 1800s and through the early 1900s.

ESQ Watches

Classic in attitude and enduring in style, ESQ SWISS watches offer an easy new elegance and exceptional value in time.

Seiko Watches

Watches are our business. Through them, we seek to share our pleasure and pride in production, giving you pleasure and pride in possession, and adding a touch of enchantment to every precious moment.
